BIG SPRING HIGH SCHOOL
BIG SPRING, TEXAS
VOLUME XLVIV

To everything there is a season, and
a time to every purpose under the heaven.

Ecclesiastes 3:1

Whether scurrying through rain to get to class on time, gazing out a window on a warm spring day, or dodging a snowball; the seasons always effect us in some way. We are not always conscious of them, but the seasons do play an important role in our lives.

These seasons are forever changing...tney change so fast they soon blur and run together into years, and years into eternity. In this 1967 El Rodeo we feel we have captured the magic of each individual season and crystalized its events for you to recall as the years slip by.

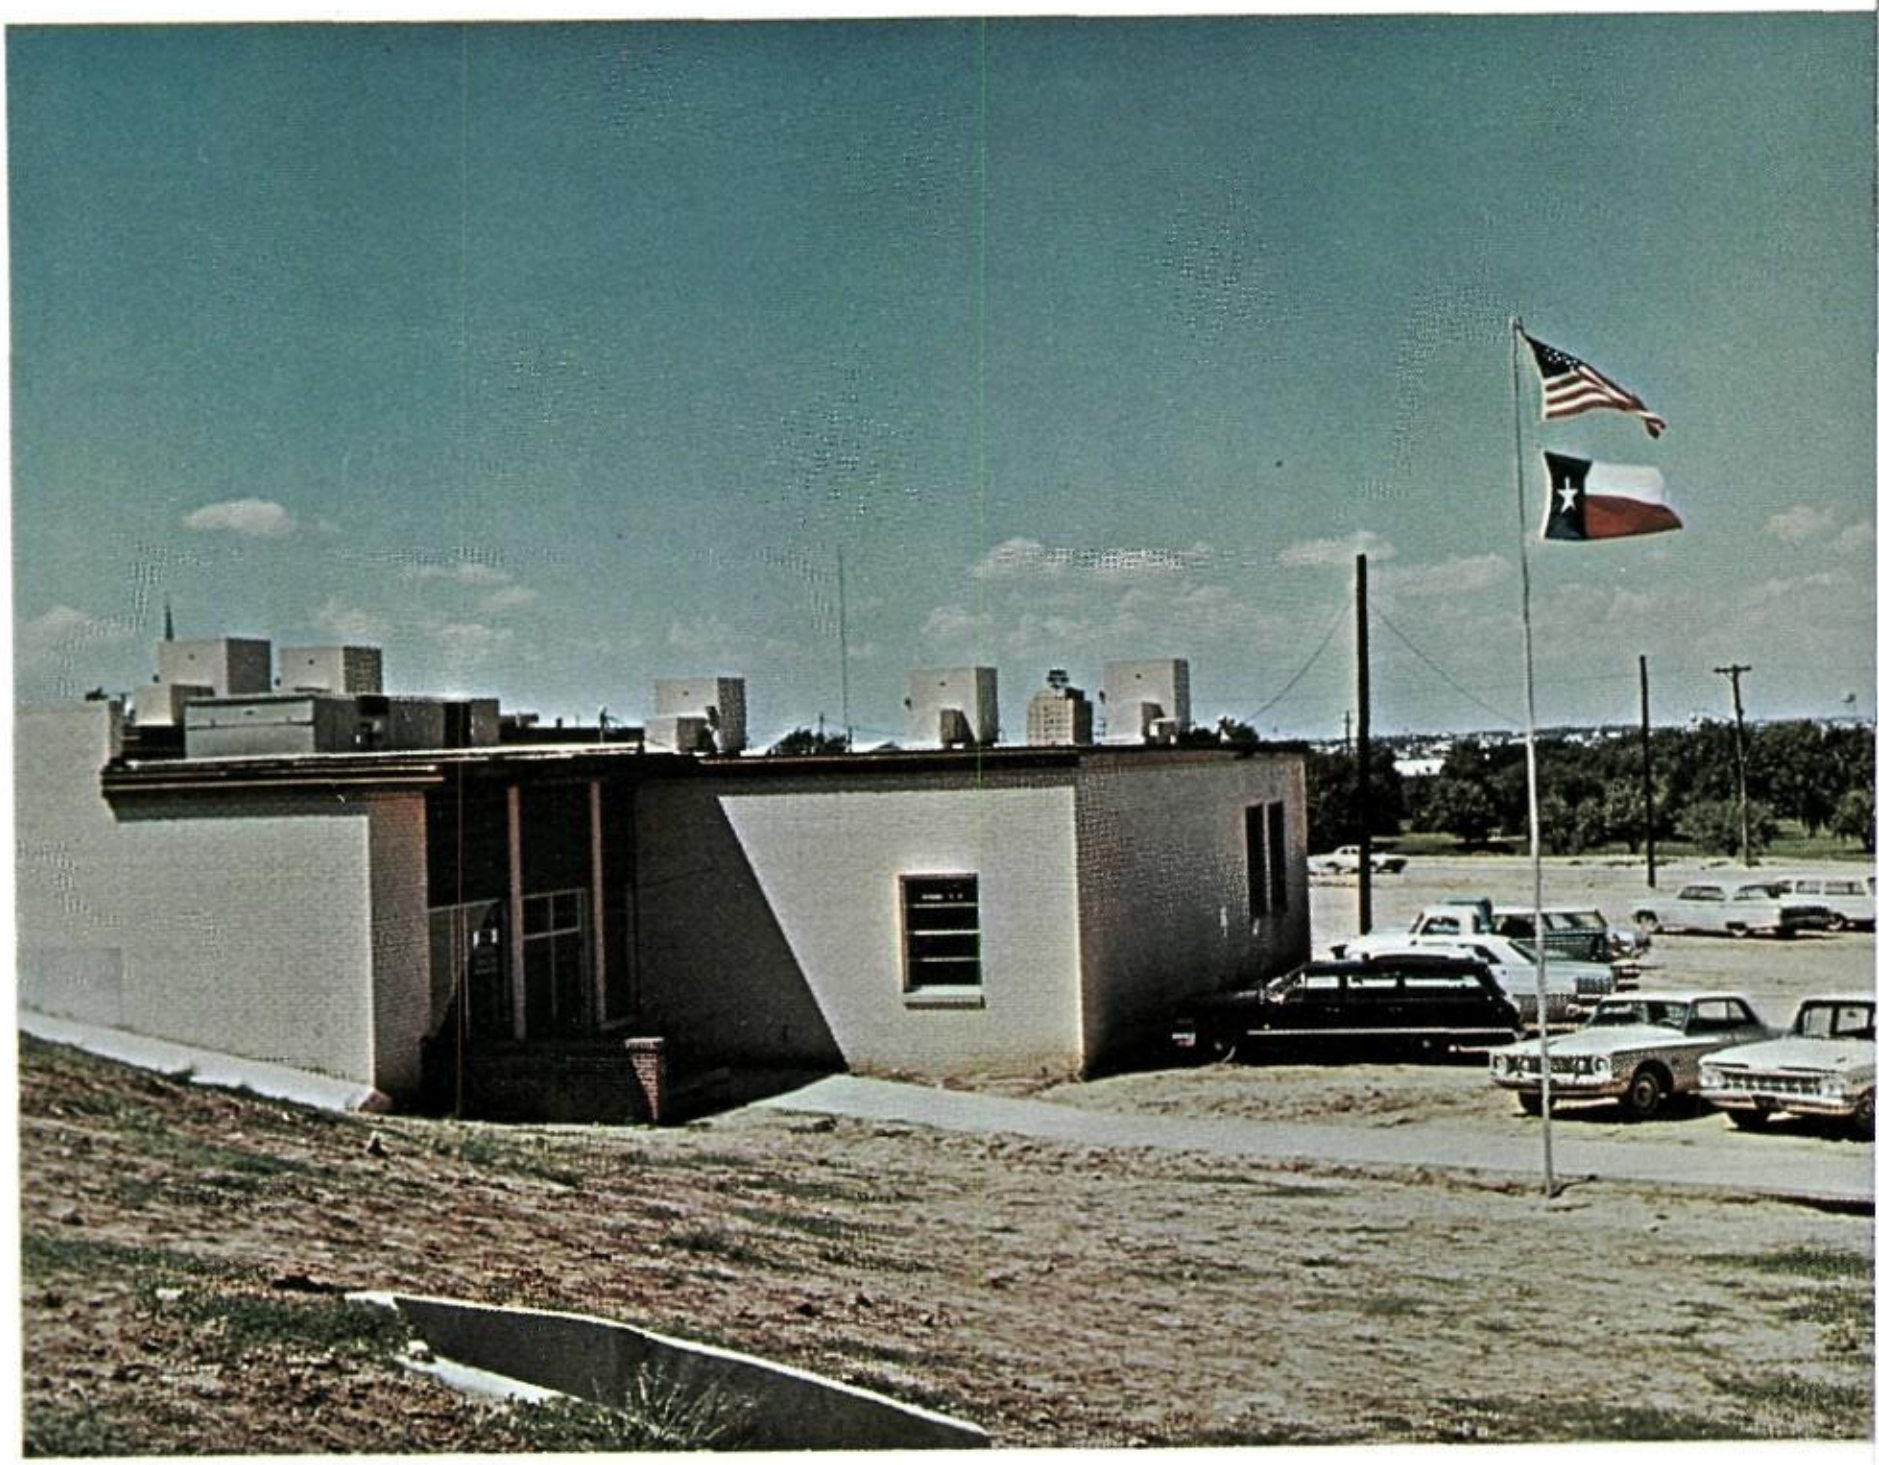
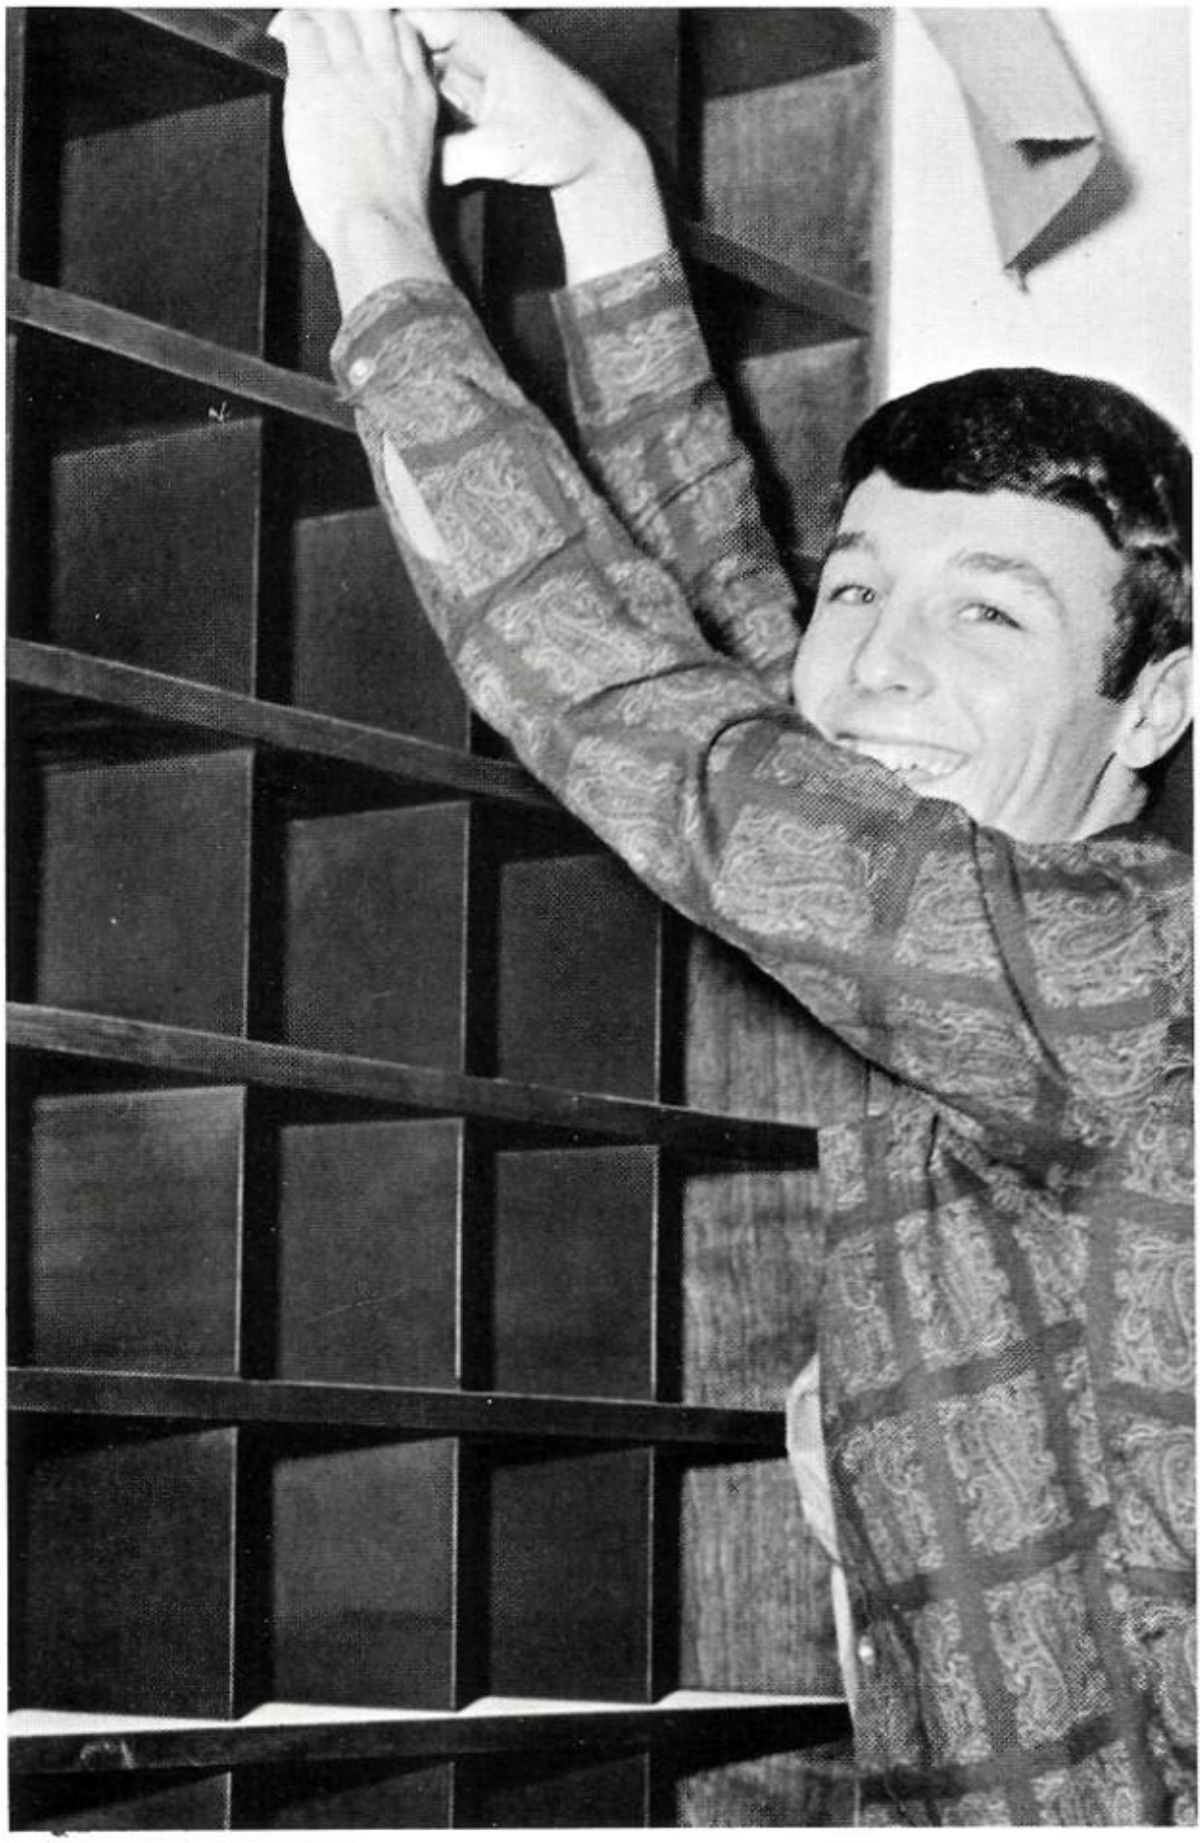
Construction Creates Confusion



Soon after the doors of B S H S opened in September, the students discovered that outside construction noise often disrupts classes. The stairs and halls are more crowded, parking places are harder to find, and the offices are busier than ever.

These problems and many more make school attendance trying at times.

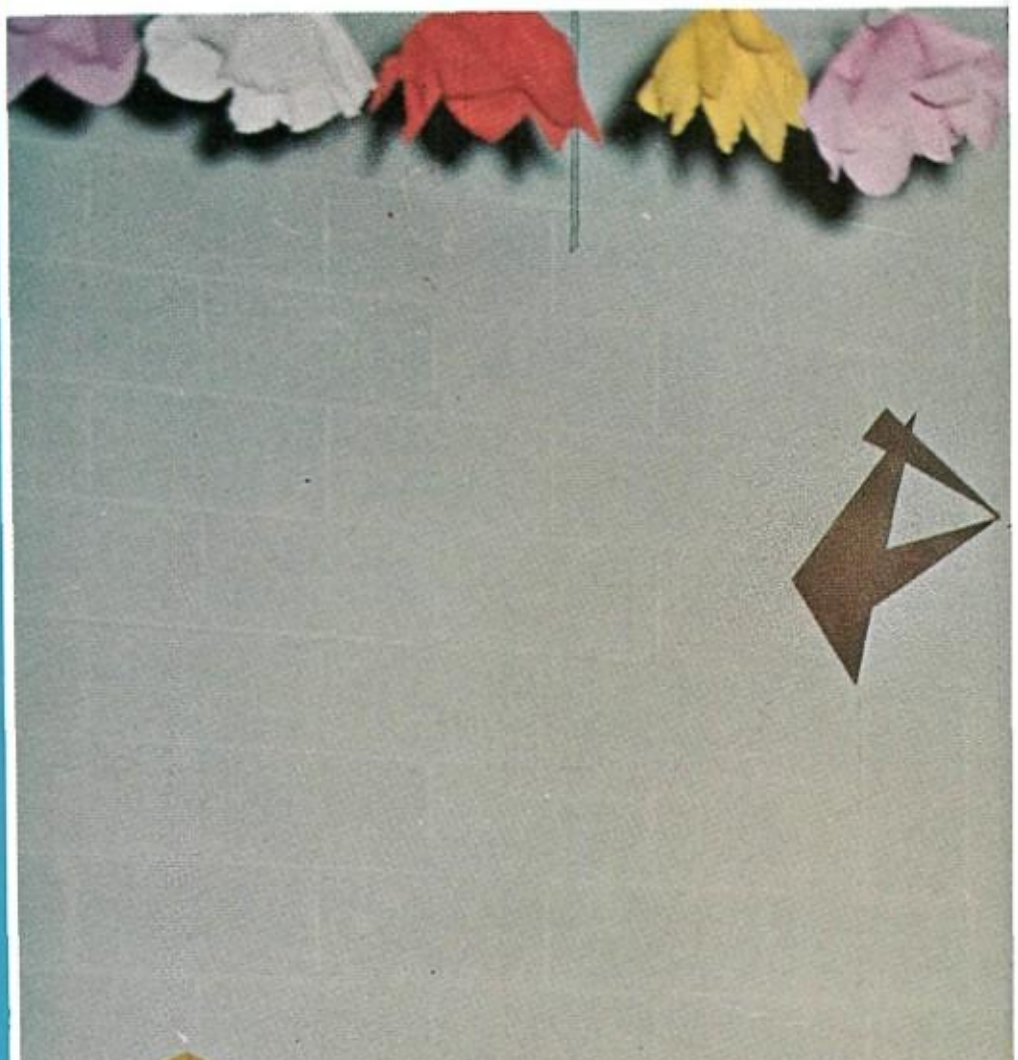
Love,
Anne

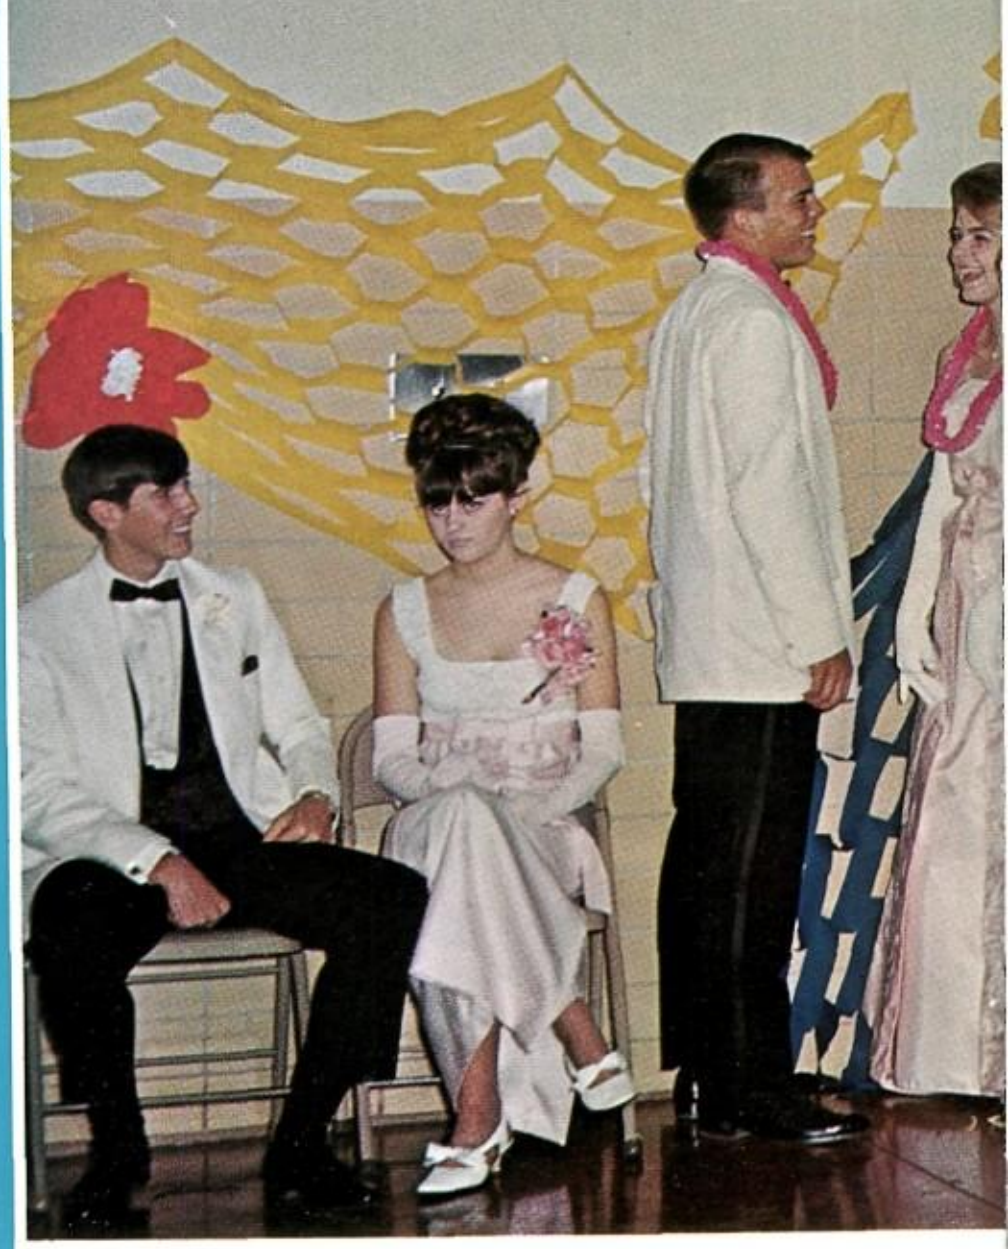


New B.S.H.S. Emerging

An added attraction of going to school at B S H S this year is watching the daily construction progress. Even at this early date the beauty of the new school is being uncovered. The new homemaking and journalism departments, the vocational buildings, and gyms are presently in use.

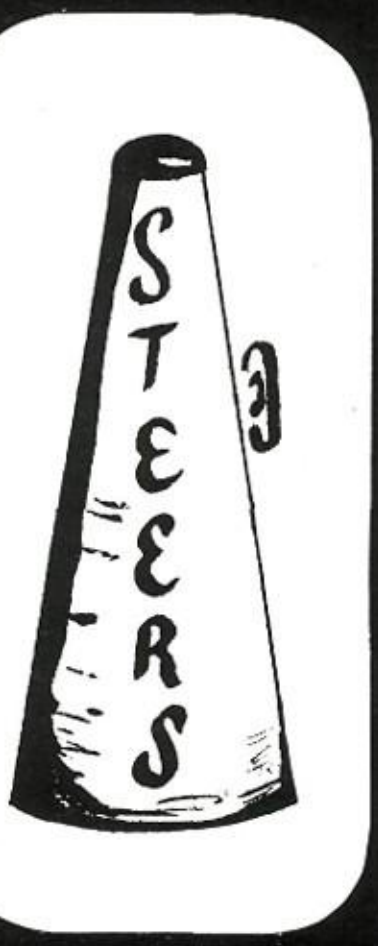
WHILE MEMORIES OF THE PROM STILL LINGER, BSHS ONCE AGAIN STARTS ANOTHER EVENTFUL SCHOOL YEAR. IT IS TO BE A YEAR FILLED WITH NEW SURROUNDINGS AS WELL AS MANY NEW FACES, HOWEVER, MUCH OF BSHS REMAINS THE SAME AND CONTINUES AS IN YEARS PAST.

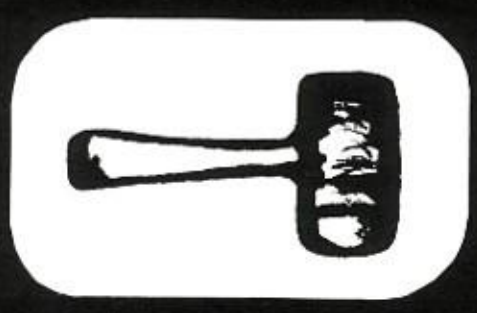


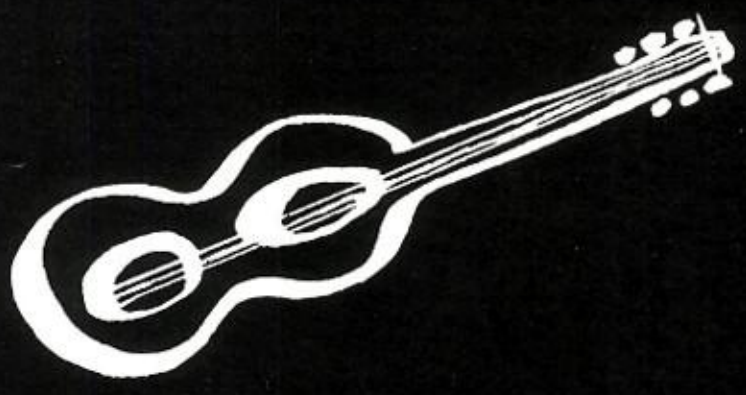


. . . SEASONAL HIGHLIGHTS

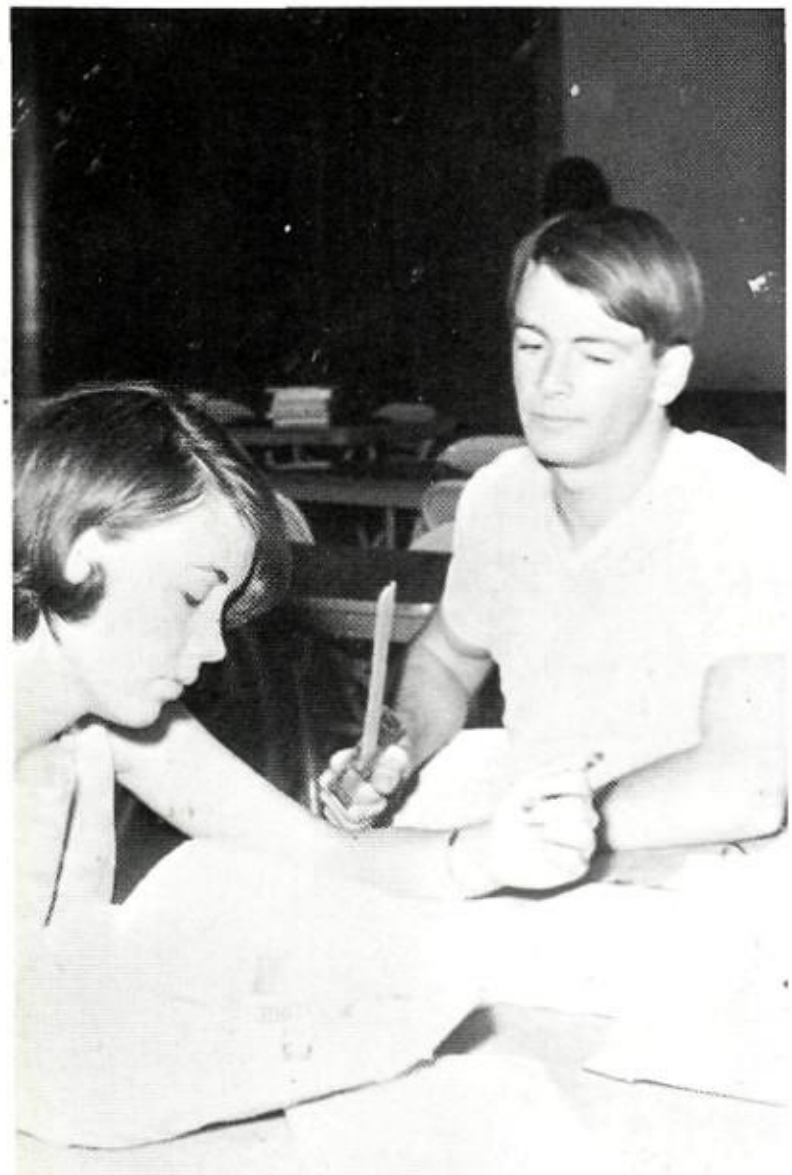
Student Life







Fall Begins . . .

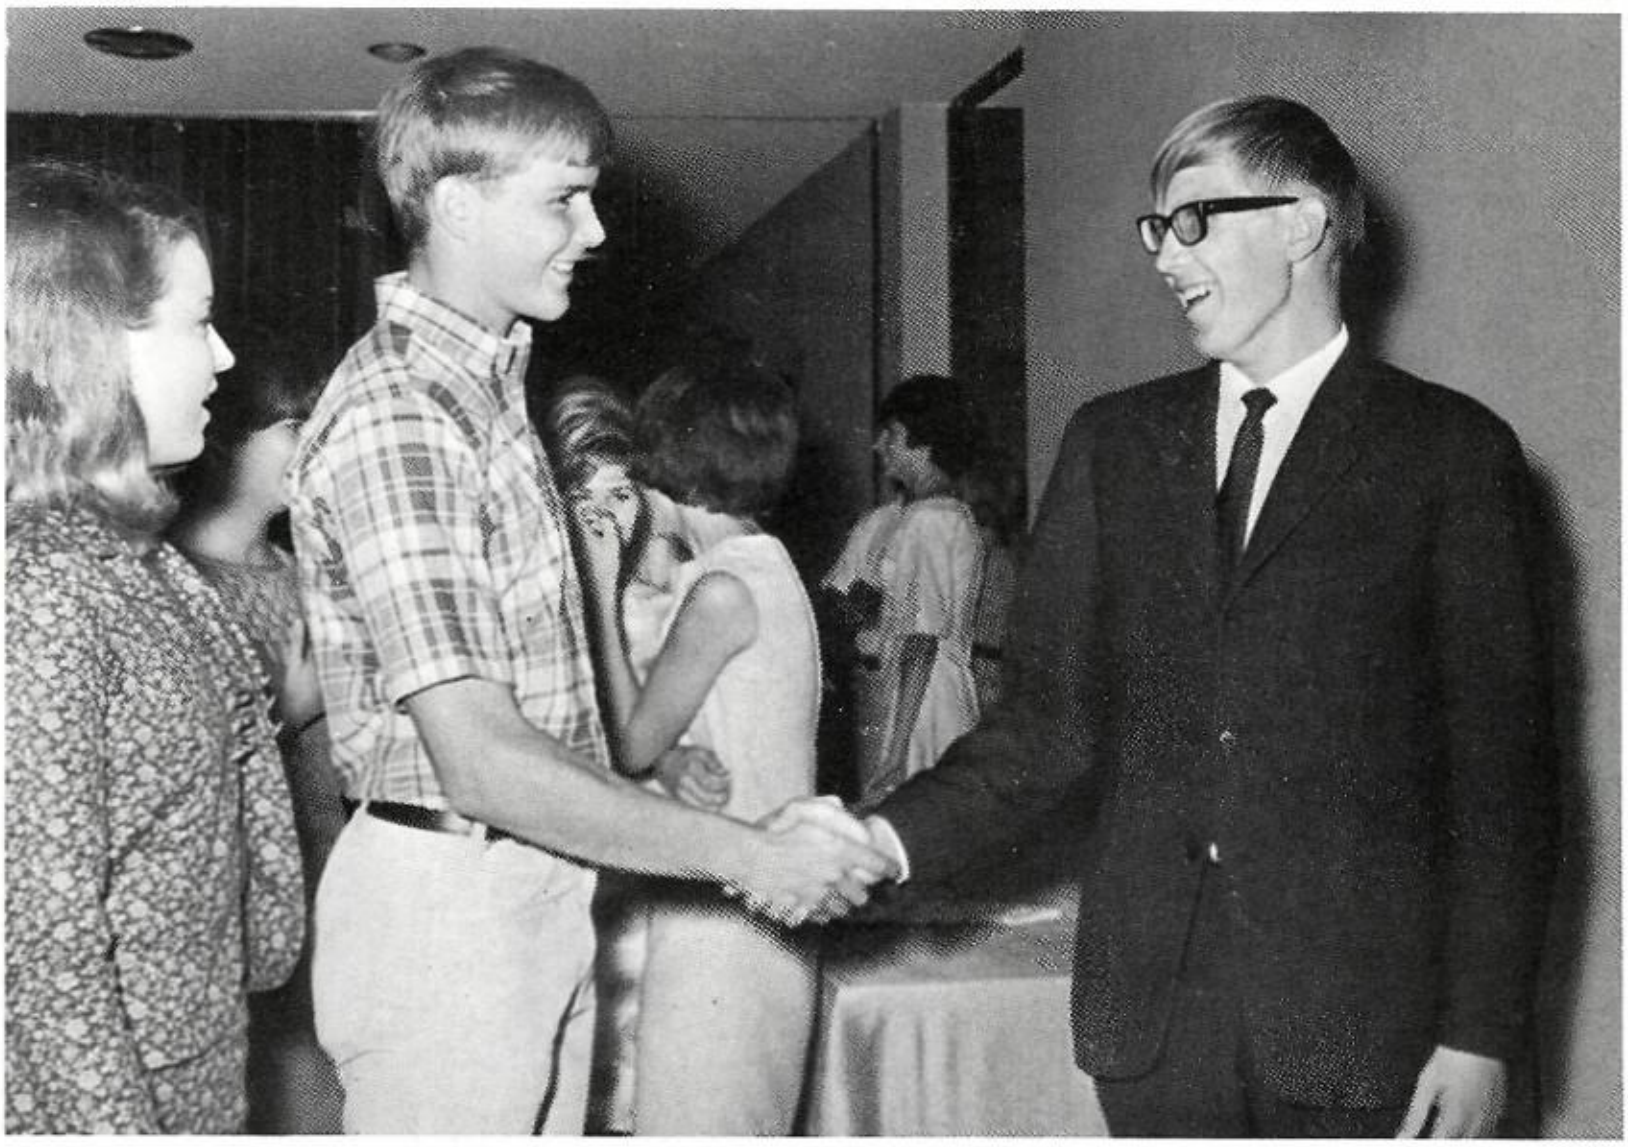


Jackie Thompson looks on while Debbie Douglas rushes to meet a deadline at Tech Workshop.

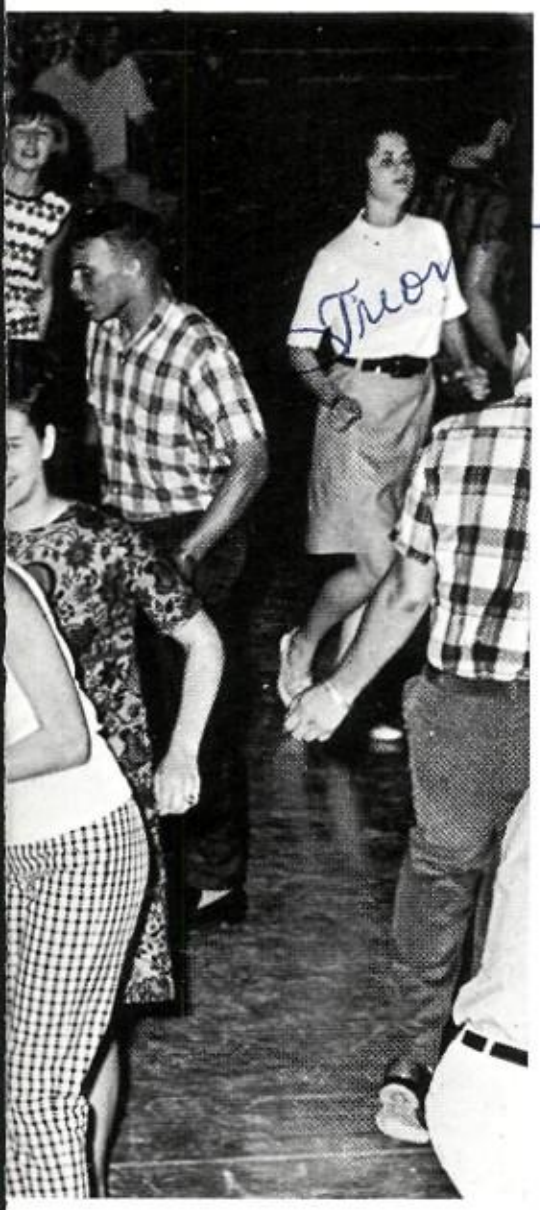
Summer leaves may be gradually dying, but BSHS and its students are only beginning to come to life in the autumn. Students are returning home from workshops and conventions to get back into the swing of high school days. Dances, barbecues, and picking up schedules start the new school year off once again.

Beverly Peters, Linda Cochran, and Kay Statser prepare a welcome for sophomores.

Largest crowd ever, dances to the music of the "Just Us Four" at the Howdy Dance.

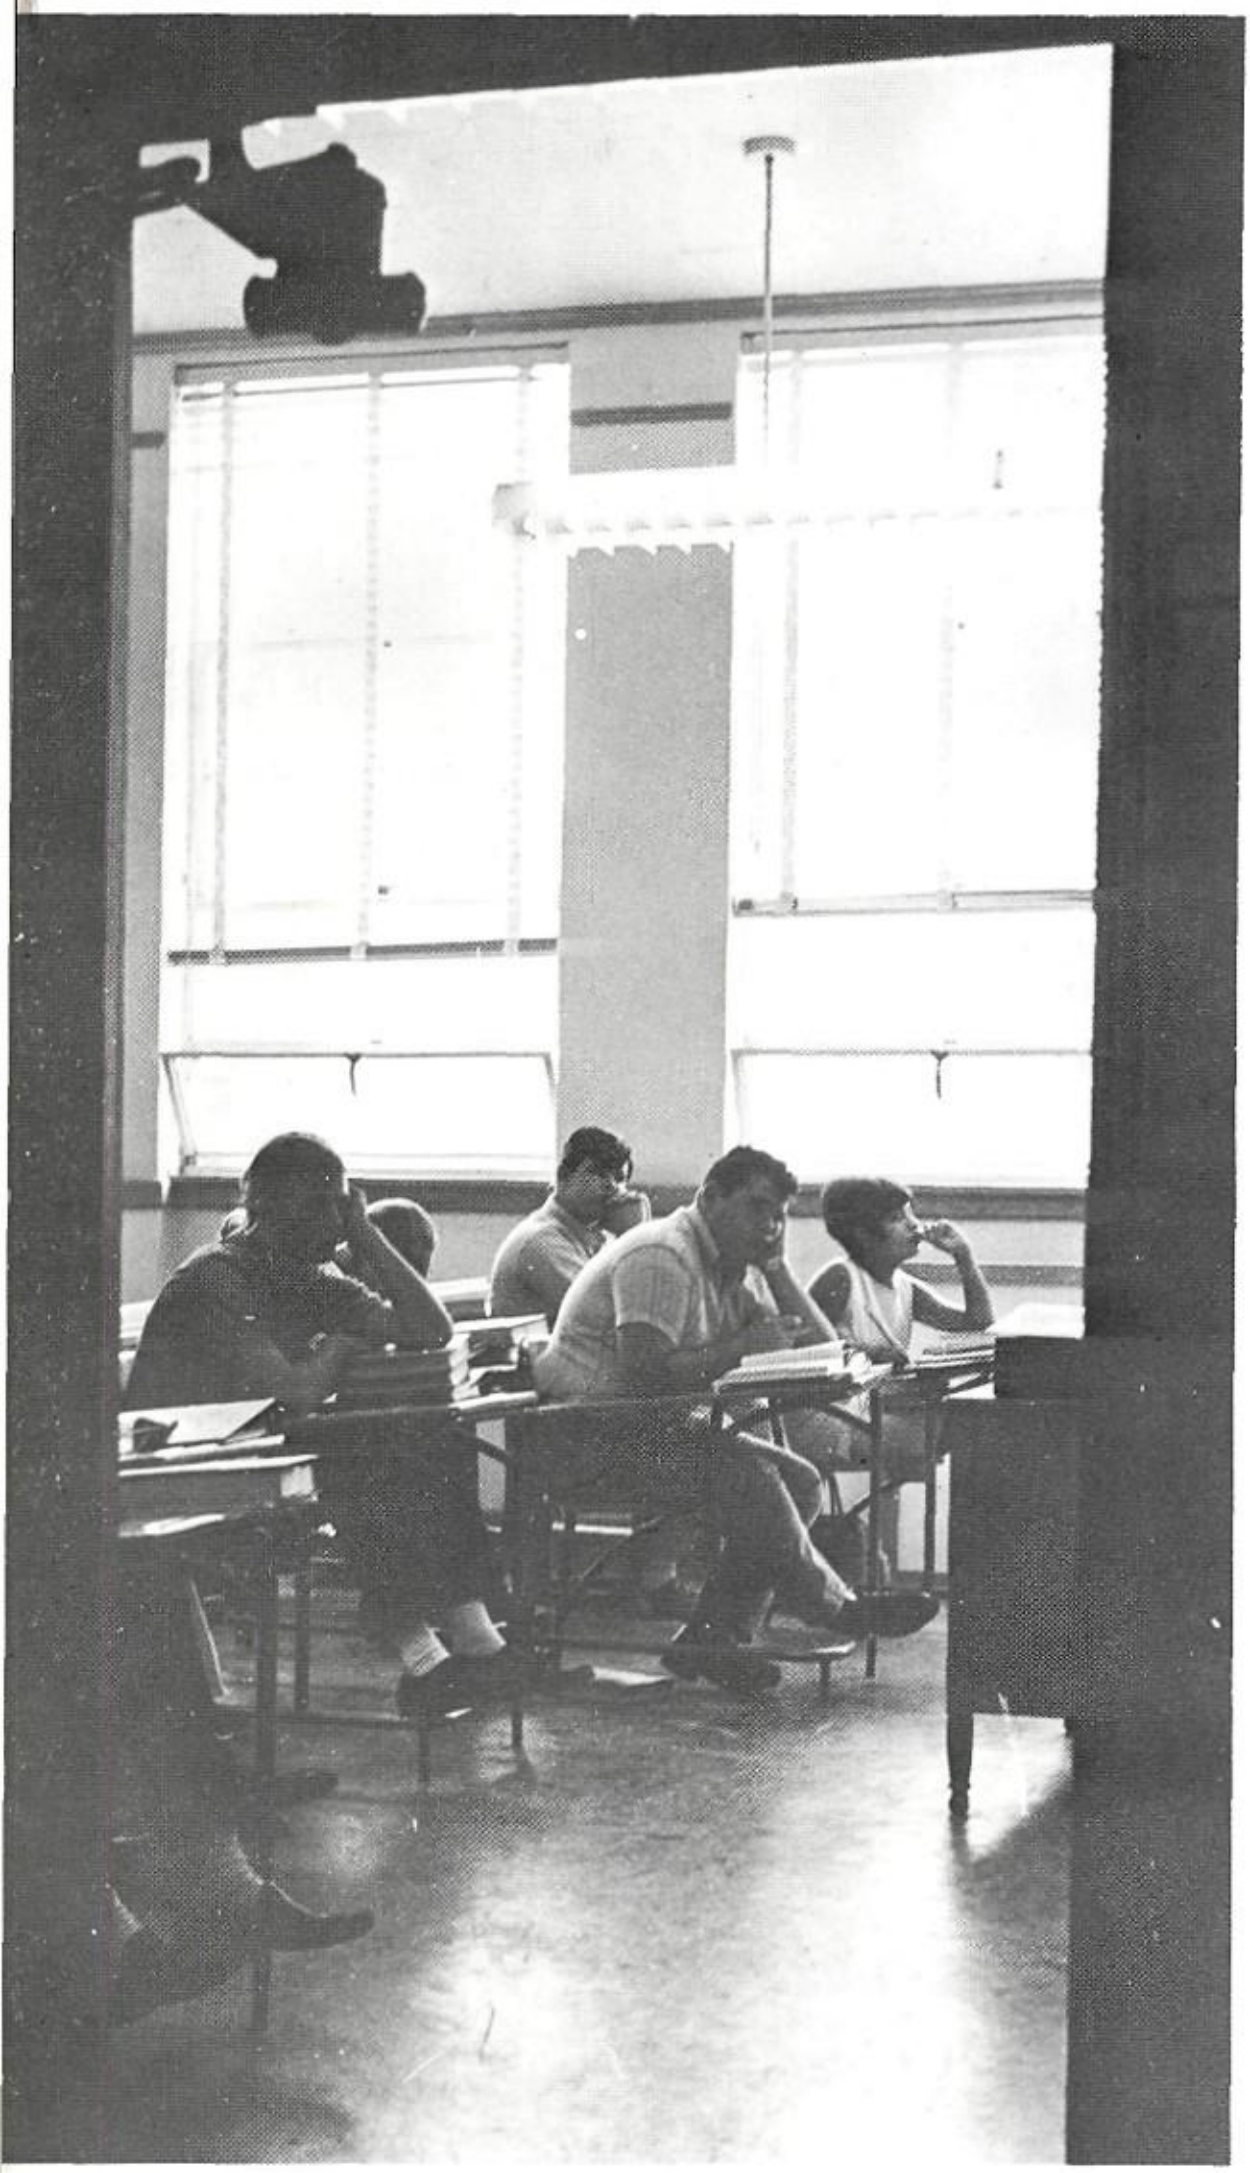


Kay Statser and Clif Talbot greet Oiva Knuuttila at a party given in his honor.



Debbie Duncan boosts community spirit at Quarterback barbecue.

Fall Hosts A Swish of Activities



Even the first day of classes proves boring for many students.

As students gather for the new school year, a hectic pace is set and it continues throughout the year. Beginning classes, organizing clubs, and pep rallies are among the many activities that fall hosts.

For the seniors, it is the beginning of their last year together, for the sophomores it is the beginning of their fun filled high school days, and for the juniors a year of never ending work. Fall makes the Seniors begin to realize the days add up to precious memories that can never be relived again.

BSHS Students Engage In Unusual Activities

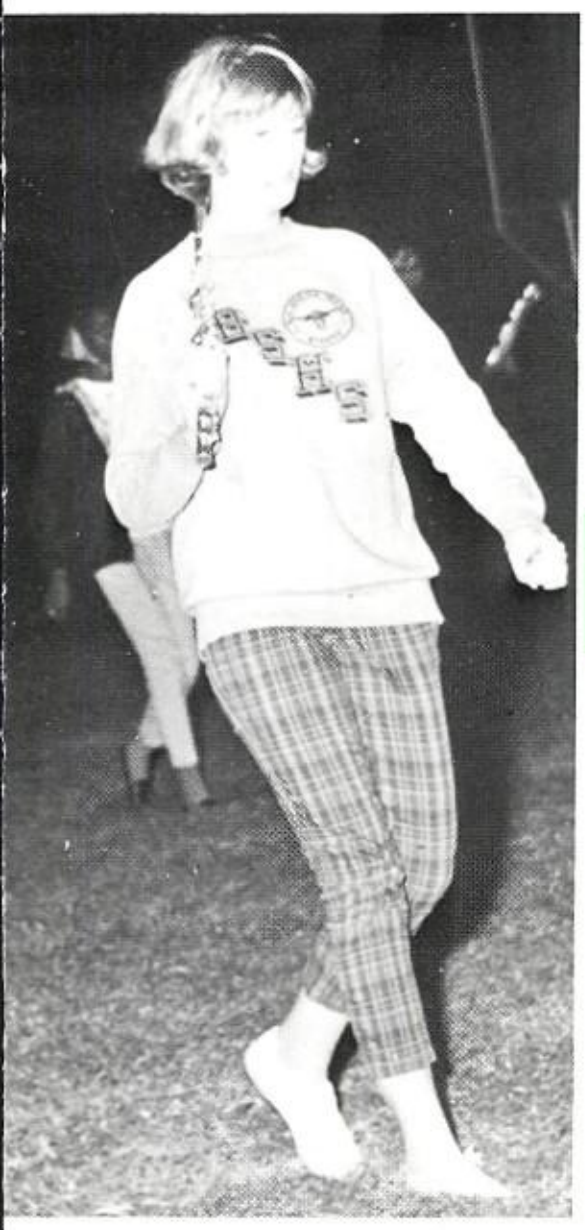
From the looks of these students, we can easily see that there are other things besides work going on around the BSHS campus. There's always somebody around to add a little spice to life whenever things get dull.

Margaret Zike displays her talent in the field of dancing at Tech workshop.

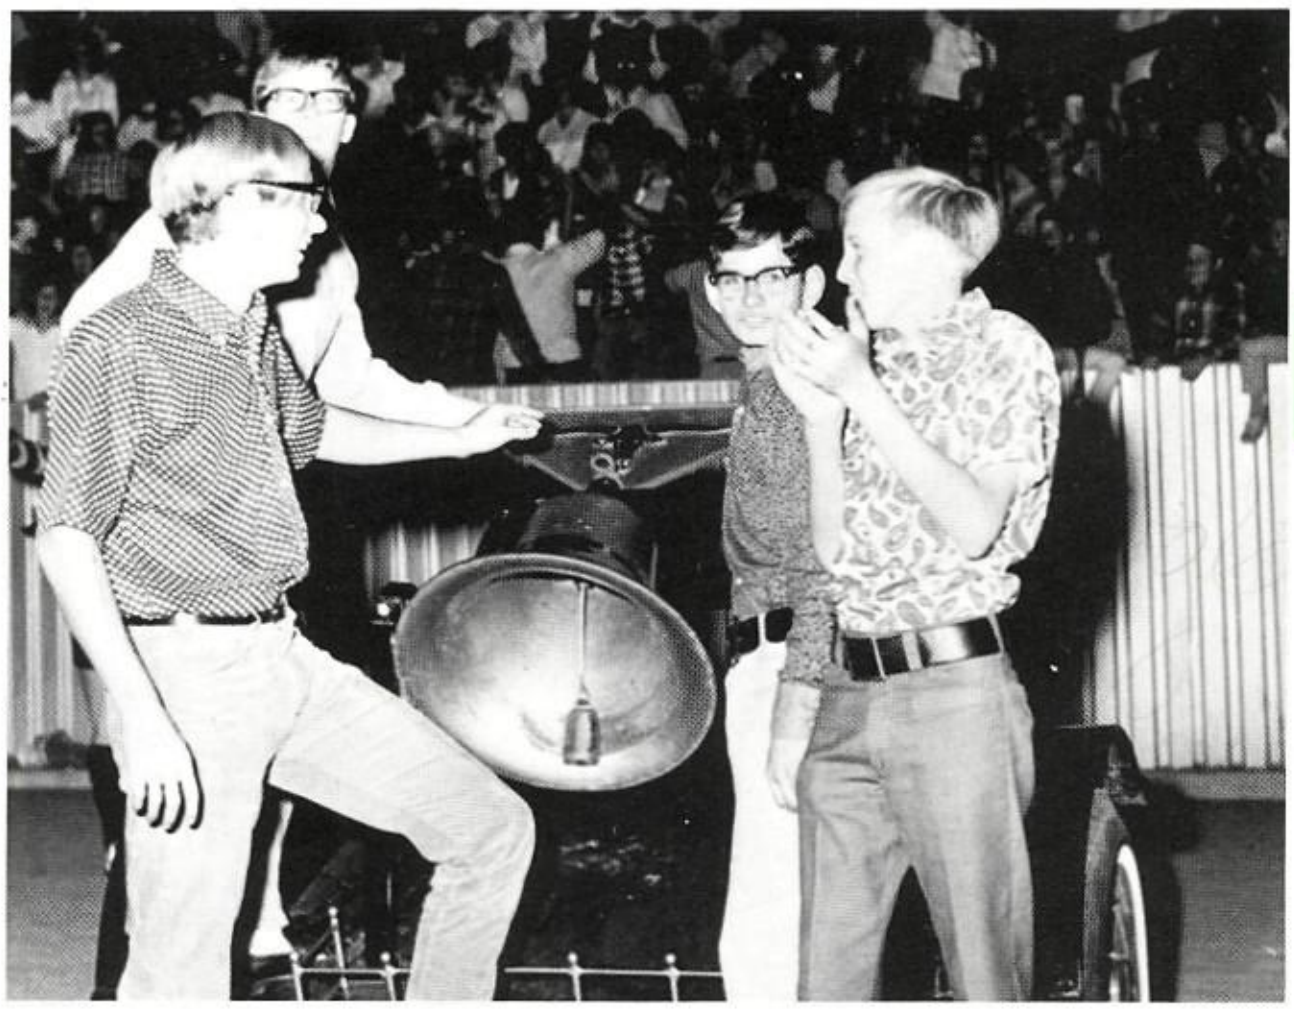
Linda Lile treats Robbie Smart to some ice cream at the FHA ice cream supper.

Where the Action is . . .

. . . you are sure to find BSHS students. Football season highlights fall action and nearly everyone stands behind the team. The Key Club keeps the victory bell ringing at the games, the band spends hours in rehearsals preparing for halftime activities at the games, and the football boys face many moments of tension in order to win the games.



Cheryl Colclazer finds marching patterns difficult.



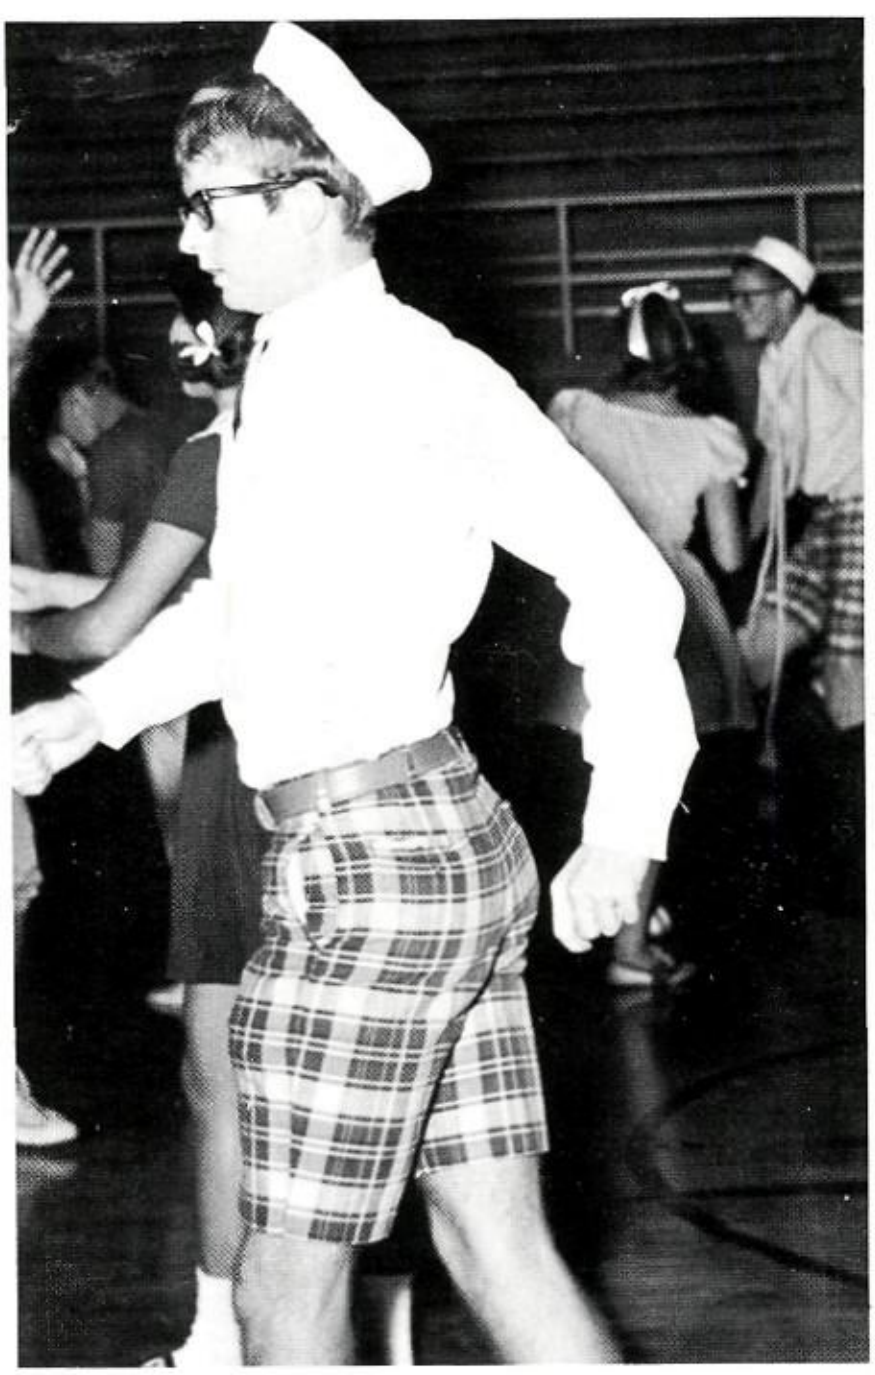
David Vasquez, Danny Johnson, John Choate, and Thomas Land take charge of the victory bell at the Snyder game.

Mike Schafer and Robbie Smart find paddleball an interesting activity at Kid's Night.

Students Put Fun Into Kid's Night

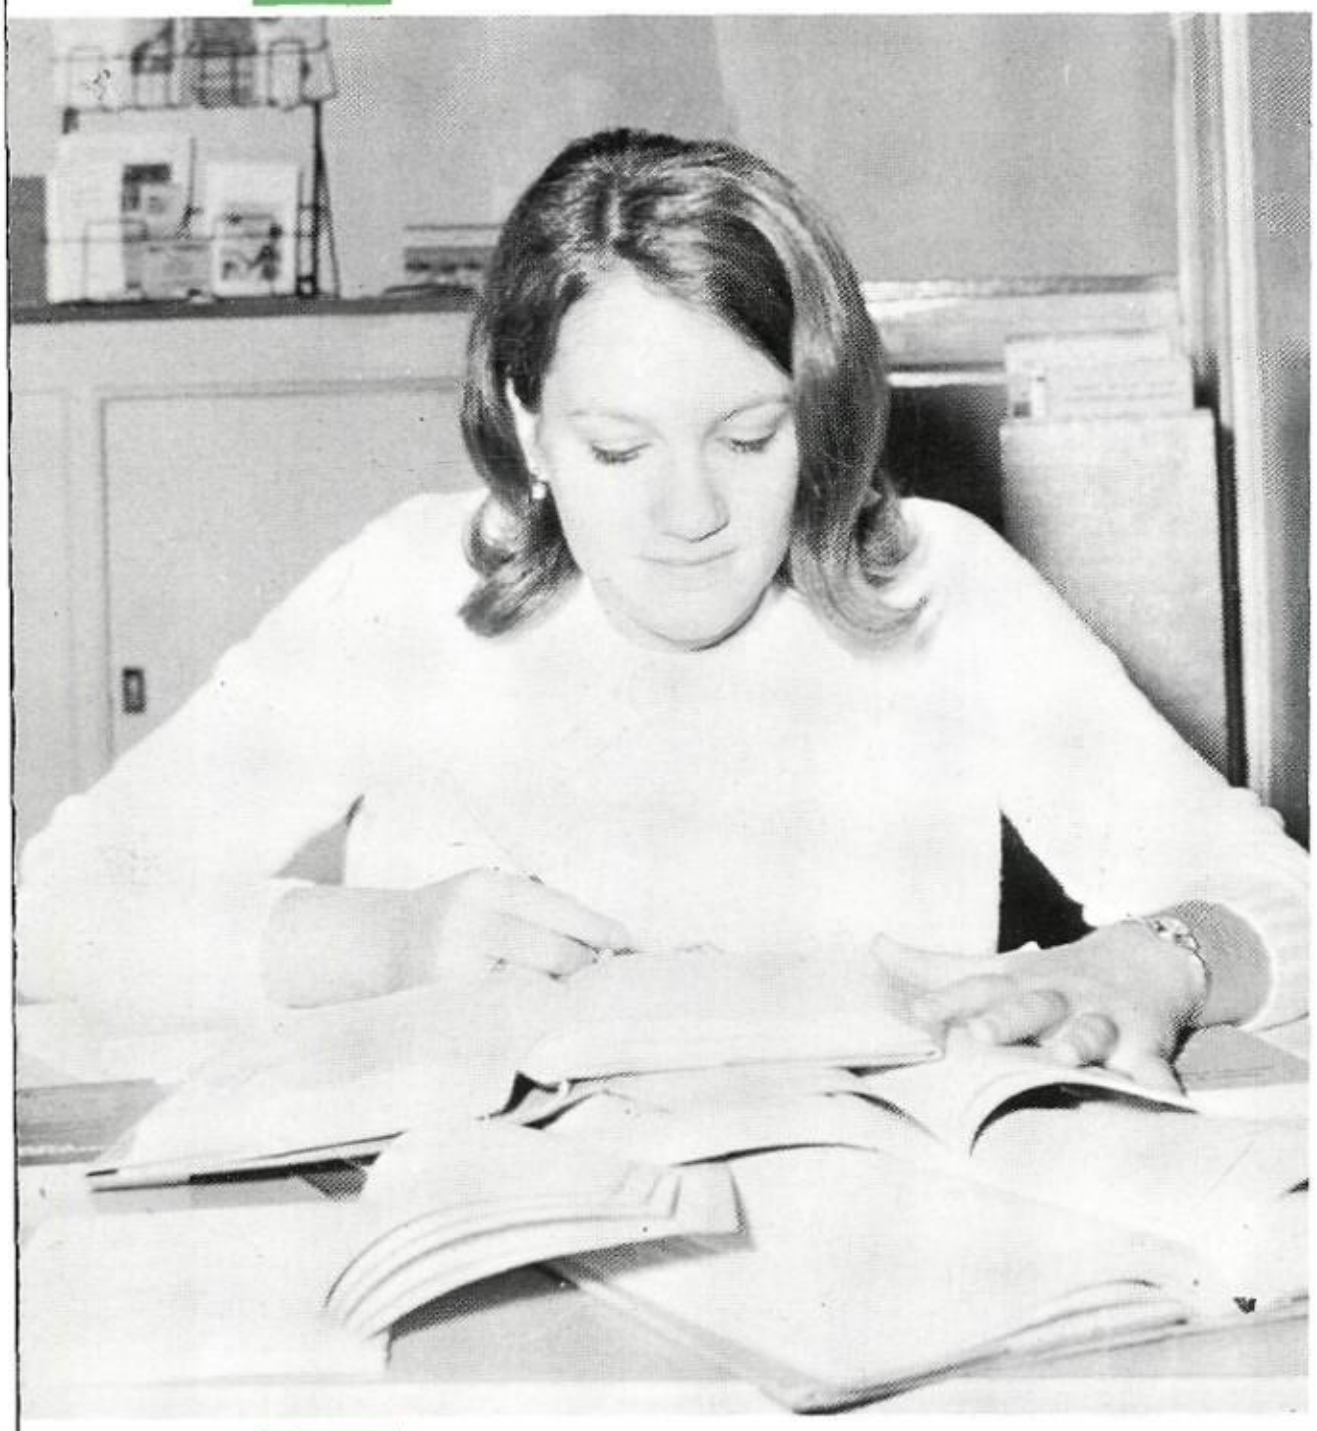
On September 30, all the little kids put on their best clothes and packed into the Steer gym for Kid's Night. Most of the students chose to dance to the music provided by the 'Just Us Four,' although games such as jump rope, jacks, tug-of-war, and paddle-ball were available for the kids to play. The highlight of the party sponsored by the Student Council was the introduction of class officers for 1966-67.

Jimmy Wilson tells Jane Thompson the importance of 'Cracker Jacks' to a kid.



Even a little kid like Danny Johnson can dance to the great music of the 'Just Us Four'.

Gary Rogers, Clif Talbot, Kirby Horton, and Gary Turner return from the new gym where they have been gathering news for the CORRAL or were they visiting the candy machine?



Semi-finalist Seeks Scholastic Success

Sarah Bennett was chosen by a national board test to be named semi-finalist for the National Merit Scholarship. As a semi-finalist, Sarah will have to substantiate her first qualifying test on a second examination and fulfill routine requirements before being named a finalist.

Sarah is a senior at BSHS, and is a member of the History Club, FHA, Latin Club, and the Student Council. She plans to attend Baylor University and major in sociology.

NHS Grows In Membership

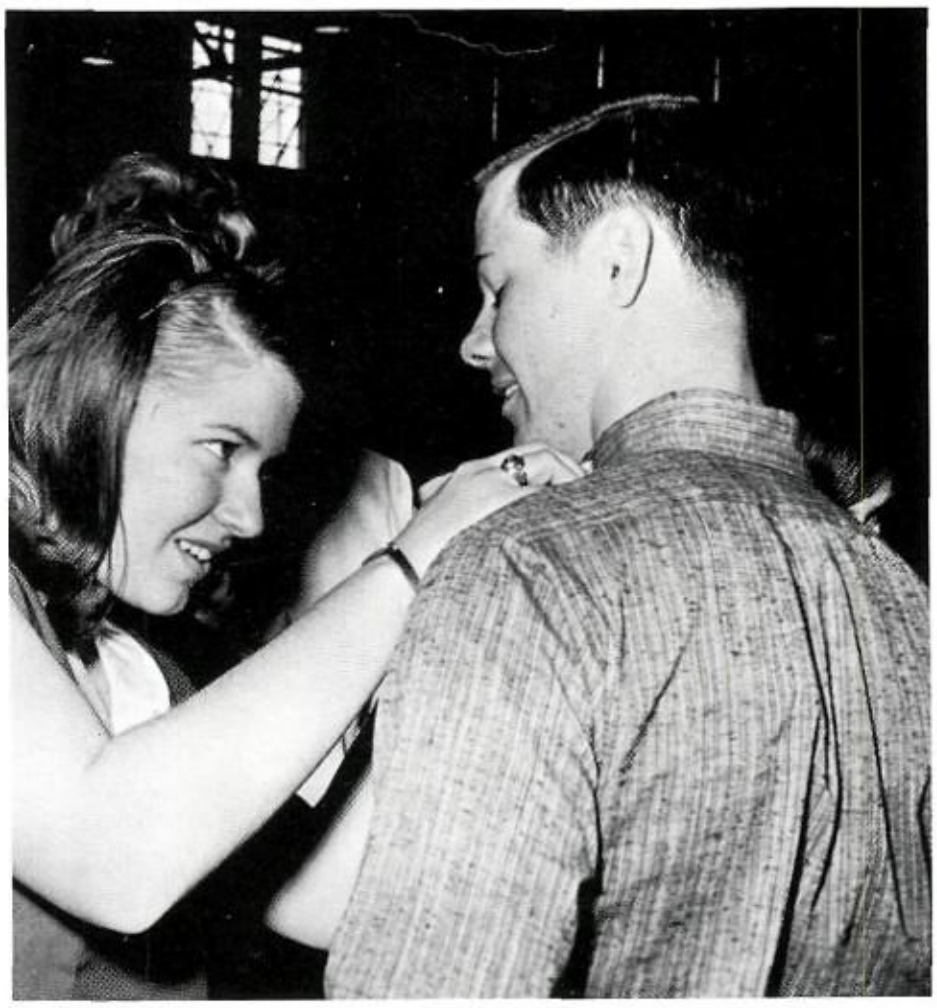
Beverly Peters lights the symbolic candle for character.

The National Honor Society inducted forty new members this morning in the Steer Gymnasium.

Jan Campbell, Beverly Peters, Mary Boren, and Kristine Britain spoke on the qualifications of leadership, character, service, and scholarship. The inductees had to meet these qualifications, have an average of 90 or above, and meet other requirements to be eligible for membership.

At the traditional assembly before both fellow students and their parents, the new members were presented with carnations, lighted candles, and were pinned by the present members of the society.

Juniors repeat the pledge of the National Honor Society aftc receiving their candles and carnations.



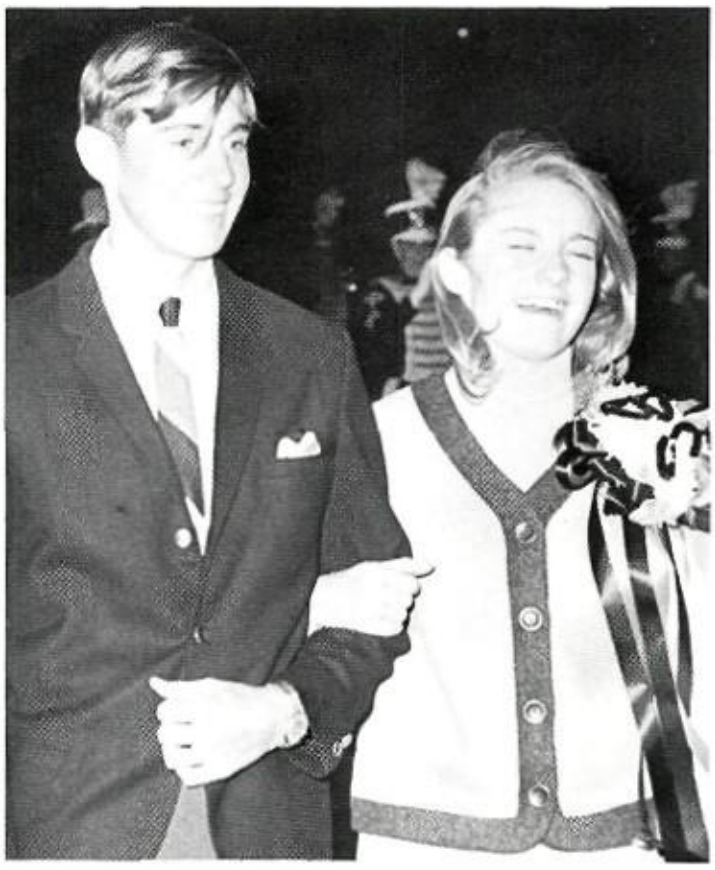
Jan Campbell pins Don Crockett's NHS pin on.

Bill Bennett accepts a carnation from Linda Tune.

Kathleen Bryan passes her candle through the four symbolic candle of the NHS while Anne Castellina, Cheryl Cederberg, and Cheryl Colclazer look on.

Kay Gardner Crowned Band Sweetheart

At the Midland Lee game, Kay Gardner was crowned Band Sweetheart by Band President Steve Stinson. The other nominees were Kitty Campbell, escorted by Tim Knox, and Sue Bearden, escorted by Harold Cagle. The band honored the three nominees as they walked on the field by playing "Tonight" and standing in a zig-zag formation.

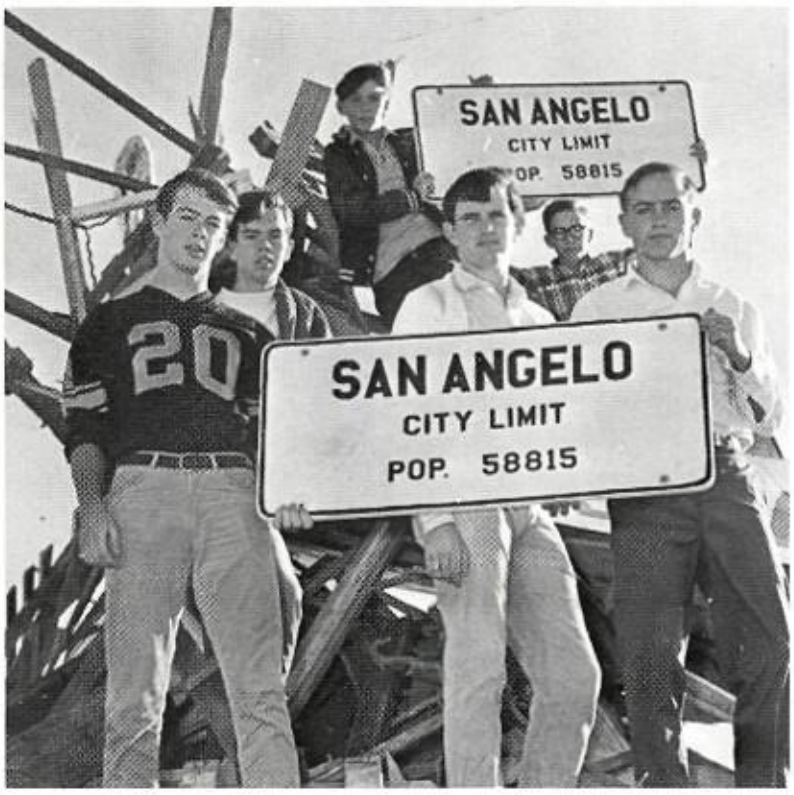


Steers Select Gridiron Queen

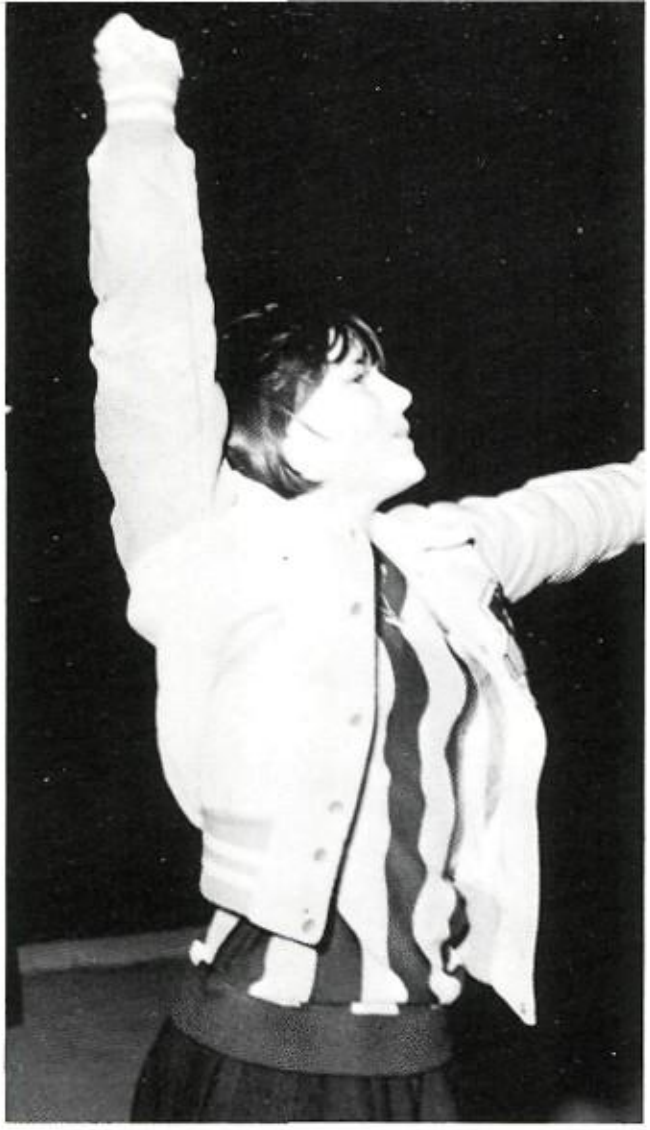
Debbie Duncan was honored as Football Queen during the halftime activities of the Abilene game. She was escorted by Randy Nicholson and crowned by Joey Paté. Her roses were presented to her by Beverly Peters. The other nominees were Kay Statser, escorted by Robby Robertson, and Jenny Bean, escorted by Ronnie Anderson.

The last pep rally proved to be the best of the season. After a pep talk by Mr. Jack Cook and several yells, the Seniors made their friendship circle and sang the school song. Then, everyone went to the bonfire to watch a hard day's work go up in smoke.

Seniors Honored At Last Pep Rally



Atop the bonfire were San Angelo city limit signs, but they were returned before the fire was started.



Beverly Peters give one last yell as a cheerleader at BSHS.

A Magic Word

Senior means many things to many people.
Decorating for hours.
A gala prom and banquet.
Tired feet and a wrinkled tux.
A formal that fits tight.
Short skirts and dangling earrings.
Clubs, assemblies, and fund drives.
Classes and schedule changes.
Last minute conferences.
Dates, steadies and playing the field.
Smiles, bursts of laughter, tears.
Rush, rush, rush. Early and late.
Midnight oil and clanging alarm clocks.
Mothers, Dads, Teachers, and Principals.
Cars, no money, no gas, and stars in your eyes.
All of this, and more, is a part--a small part--
an important part--of being a Senior.

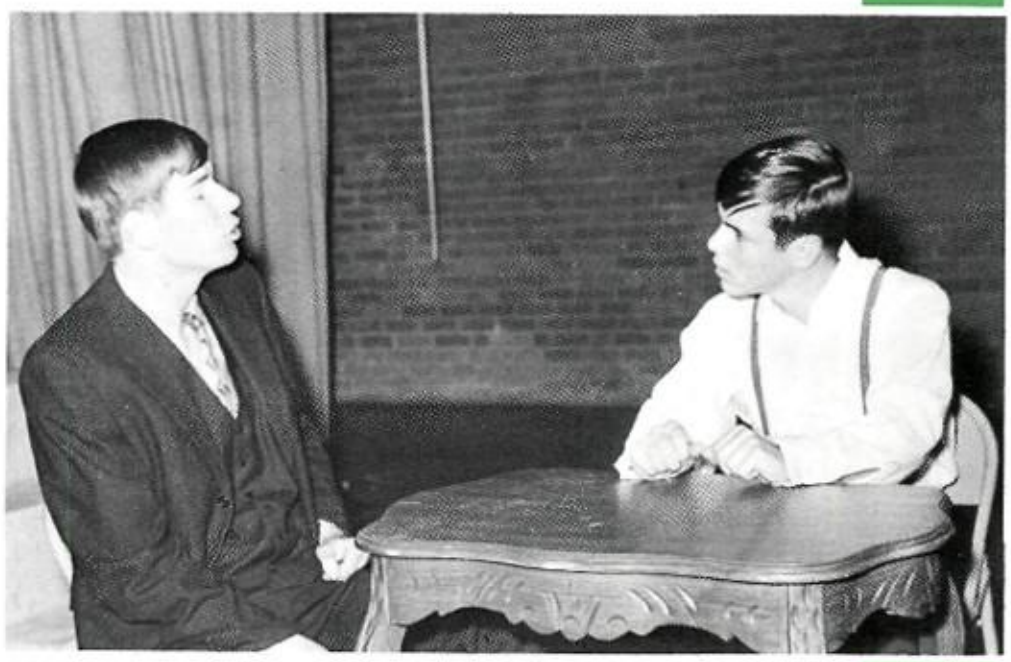
Drama Students Present "Our Town"

Mrs. Gibbs explains the importance of a good breakfast to George and Rebecca.



Mr. Gibbs tells George that his allowance has been raised.

Mr. Shockey, director, and Steve Compton find that rehersals are very tiring.

The Drama Department of BSHS presented a December production of Thornton Wilder's OUR TOWN. The cast for the play included Stage Manager - Steve Compton; Dr. Gibbs - Charles Macklin; Mrs. Gibbs - Gloria Gale; Mrs. Webb - Diana Landrum; George Gibbs - Don Crockett; Rebecca Gibbs - Betty Fleming; and Emily Webb - Teresa Conner.

In addition to the main cast fifteen others participated in the play and thirty students worked on the production staff.

Mr. Dan Shockey along with student director Sue Fannin directed the entire show.

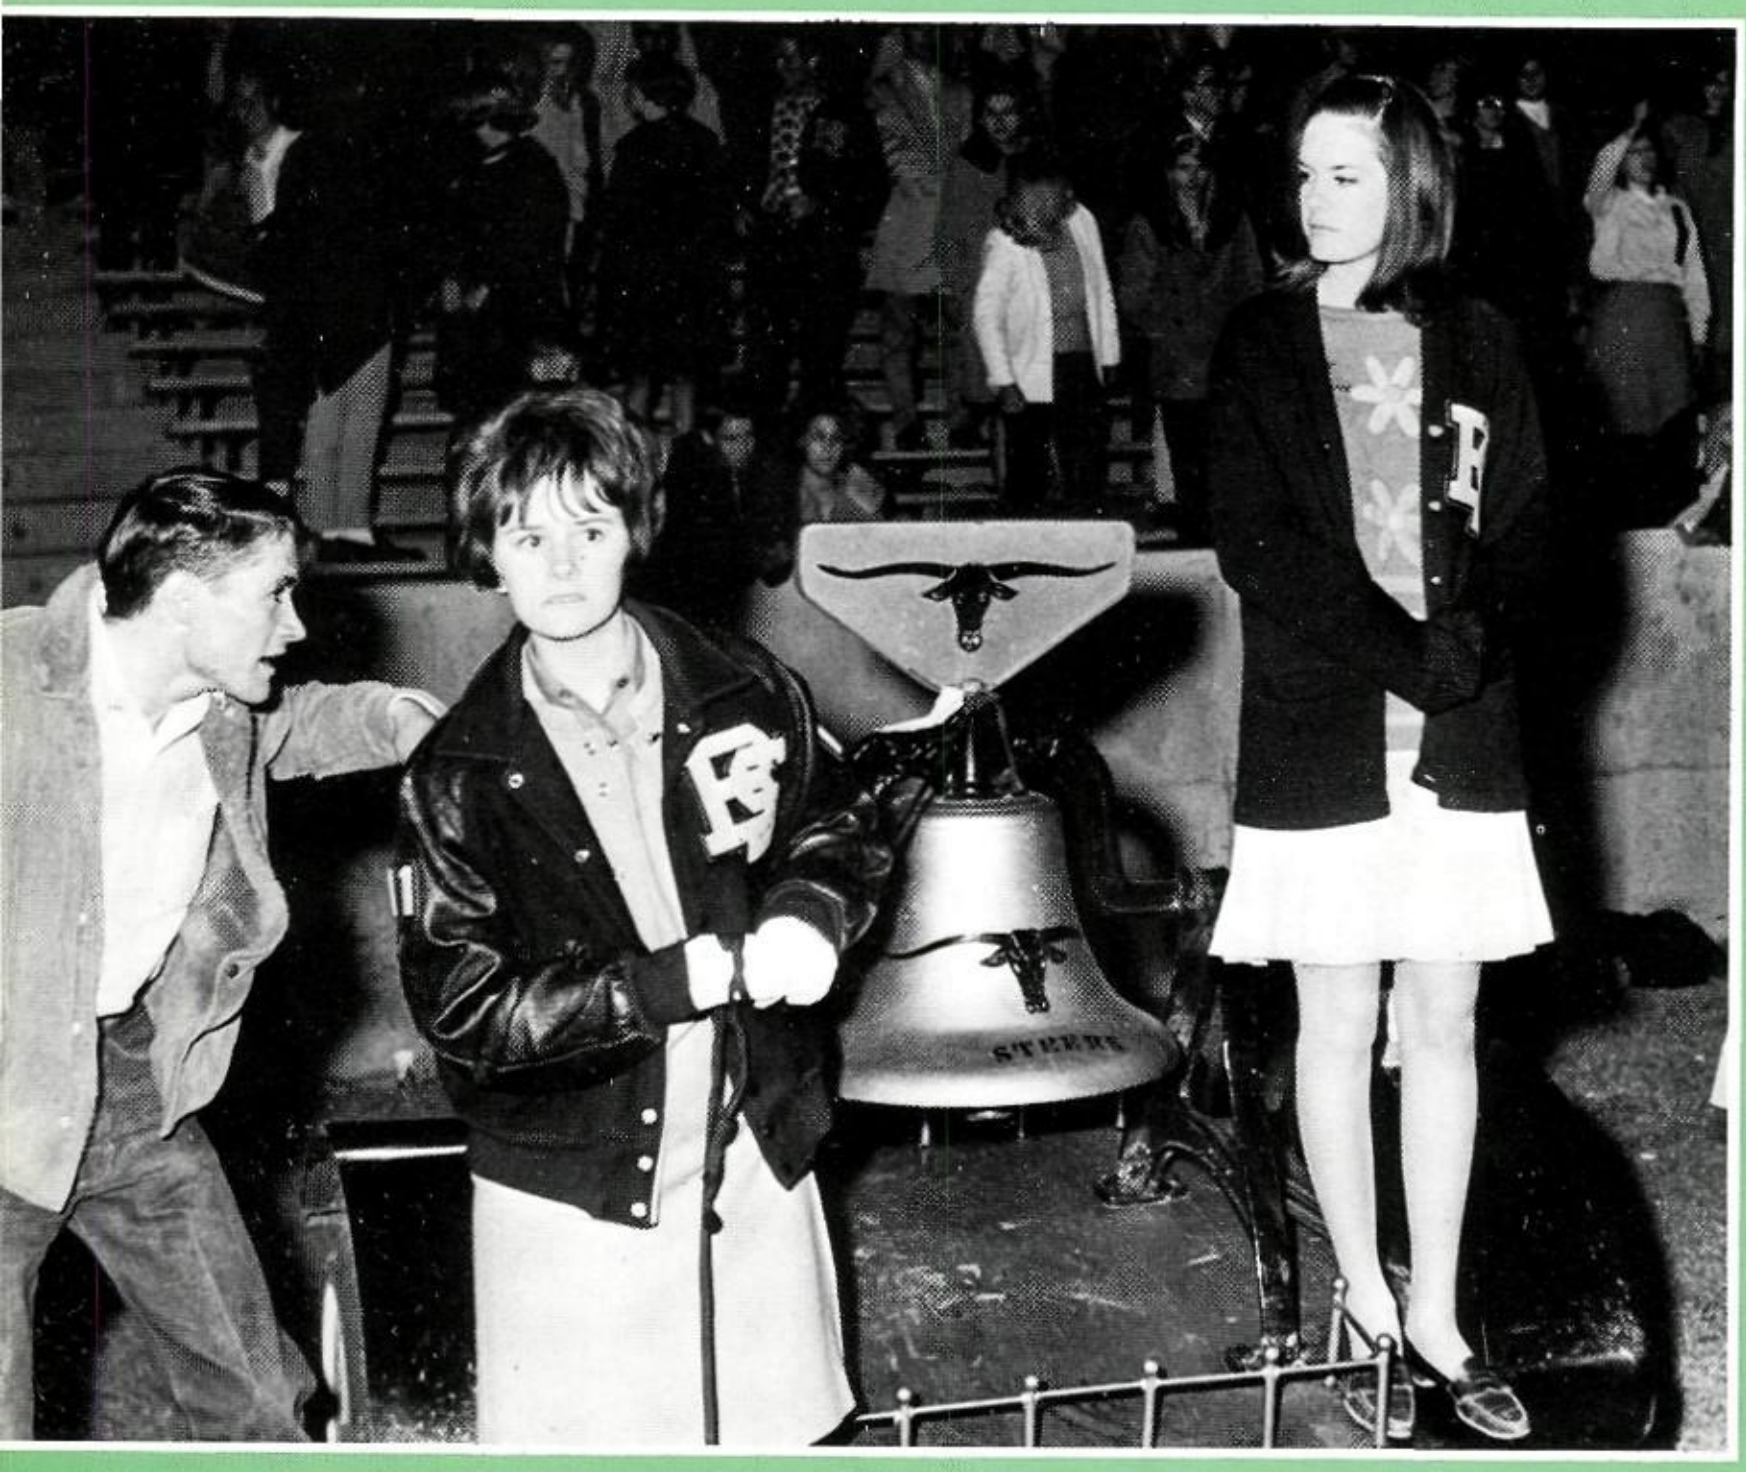
The six weeks of hard work for all involved in the staging were well rewarded by full house for a two night run.

George finds that baseball is the reason Emily Webb is not as friendly as she used to be.

The Stage Manager tells the purpose of the play OUR TOWN.

Mrs. Gibbs and Mrs. Webb chat while they shell peas.

The BSHS Future Farmers of America journeyed to Odessa for the El Rancho District FFA Leadership Contest and returned home with four 1st place awards and two 2nd place awards.



Much emotion is show by Jenny Bean as the football game and season come to an end. John Arnold and Debney Estes share in Jenny's emotion.

Winter Arrives In A Gust of Wind

As the fall months end, BSHS minds turn to other thoughts. Thanksgiving, Christmas, mid-term exams, and graduation are all a part of the winter months to come.

Texas weather is cold, but the fire that burns within the heart of BSHS ignites the spirit of all the students. Nearly everyone turns out to support the Steers at each home game and students work to help poor families have a happier holiday.

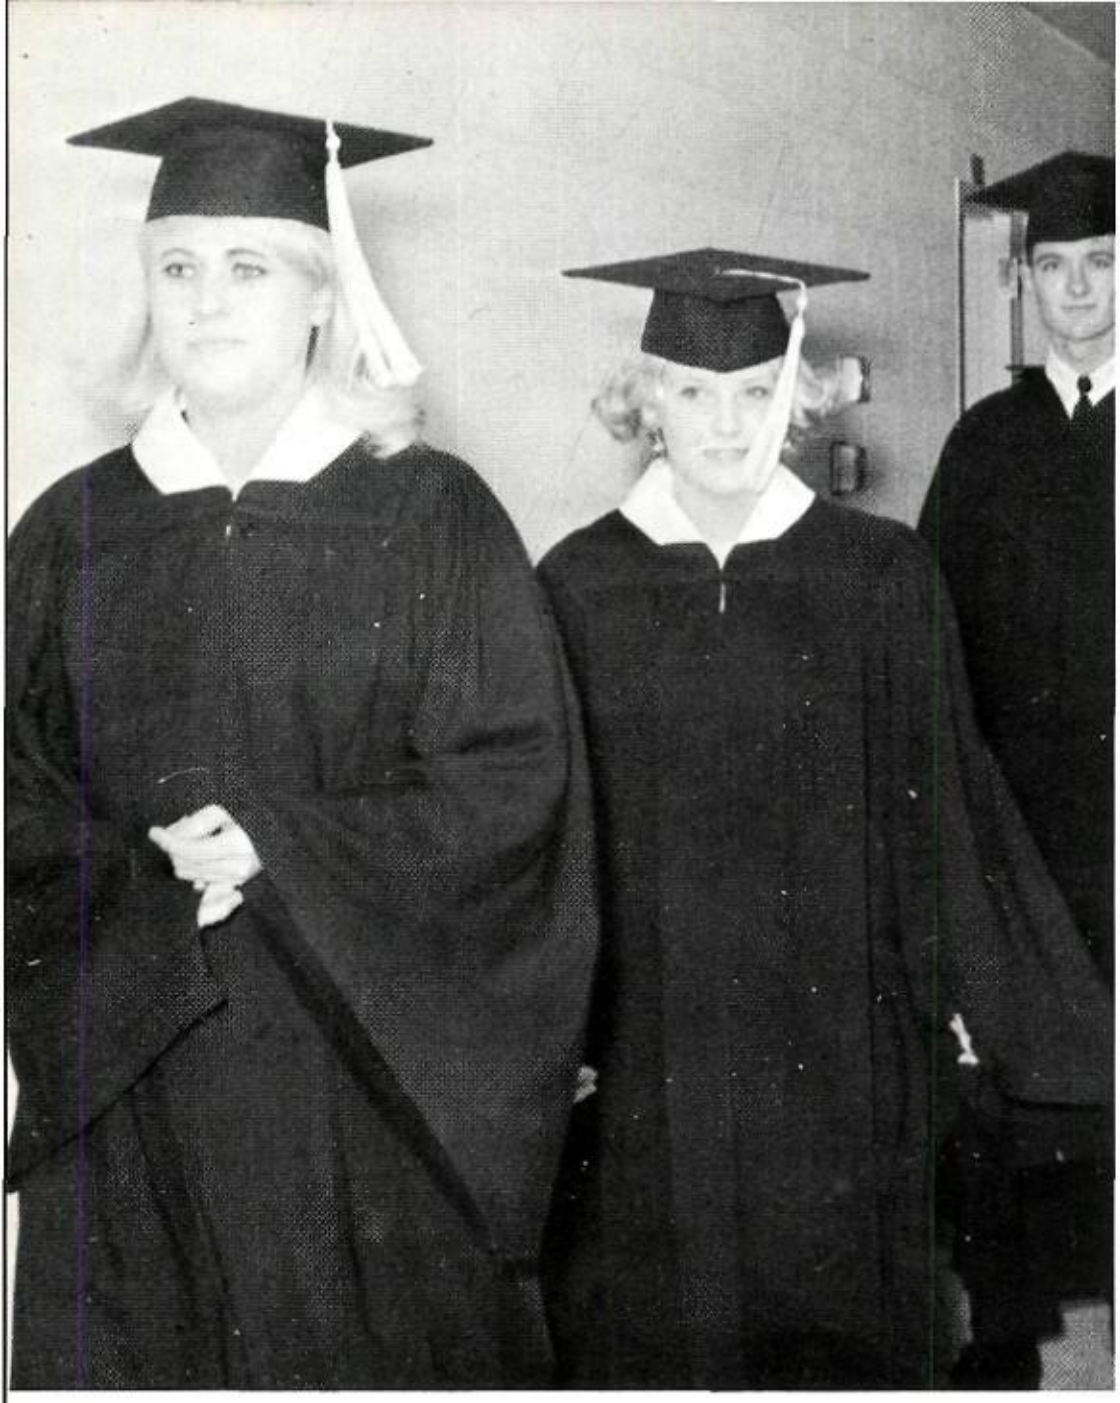
Mid-term Graduates Seek New Frontiers



Nervous graduates start for the gym to receive their diplomas.

The fanfare was quieter and the audience smaller, but the prize, a certificate of graduation from Big Spring Senior High School, was a reward worth earning to the 39 graduates presented in the Steer gym on January 26. These students, for various reasons, chose to receive their diplomas at mid-term and perhaps go on to the "new frontiers" described by S. M. Anderson, Superintendent of Schools. Many will continue their education at colleges, some will go to job training and others are preparing for marriage.

The A Cappella Choir was directed by Mel Ivey, and Annelle Fitzhugh was pianist for the ceremonies. Donald Anderson, ministerial student at Baylor University, gave the invocation. Supt. Anderson was the speaker, and Harold Bentley, assistant principal, introduced the graduates. Diplomas were presented by John Smith, principal, and school board members, Joe Moss, Jerry Currie and Jimmy Felts.

The Future Homemakers of America held a February banquet in honor of their chosen beau, Randy Nicholson. The dinner took place at Coker's Restaurant with eighty-nine persons attending.

Spring

To be sure, football and basketball are prominent activities in the winter season, but BSHS does not fade away with the passing of winter. Spring along with showers and sandstorms, brought a much wanted snow. But this is normal weather for West Texas. The Seniors really get senioritus knowing that graduation is only a short time away and the Juniors begin to panic with prom time so close.

The snow brings many new activities for BSHS Students.

Junior girls are all smiles while ordering rings.

Danny Johnson, All-State Choir member, finds time to rest from the hard work needed to learn the required music.

Sarah Bennett, Betty Crocker Homemaker of the Future, studies for the national test.

One example of senioritus is shown by Kay Slate, who insisted the 2nd period journalism lab students give her a birthday party.

Finals Climax School Activities

As the year draws to a close students try to concentrate on their finals but some find other activities to think about. Thoughts of summer, twirp week, and the spring festival, a new activity sponsored by the Student Council, lurk in the minds of many students.

Oiva Knuuttila finds one of the few trees in West Texas a little bare.

Girls in study hall take advantage of a few minutes in order to study at the last minute.

The students leaving this year will remember the old halls of BSHS even though they had a taste of the new ones. The students returning next year will be in a new, modern school. But no matter how much the face of BSHS changes, the spirit will always be the same and the students will remain as one throughout the years to come.

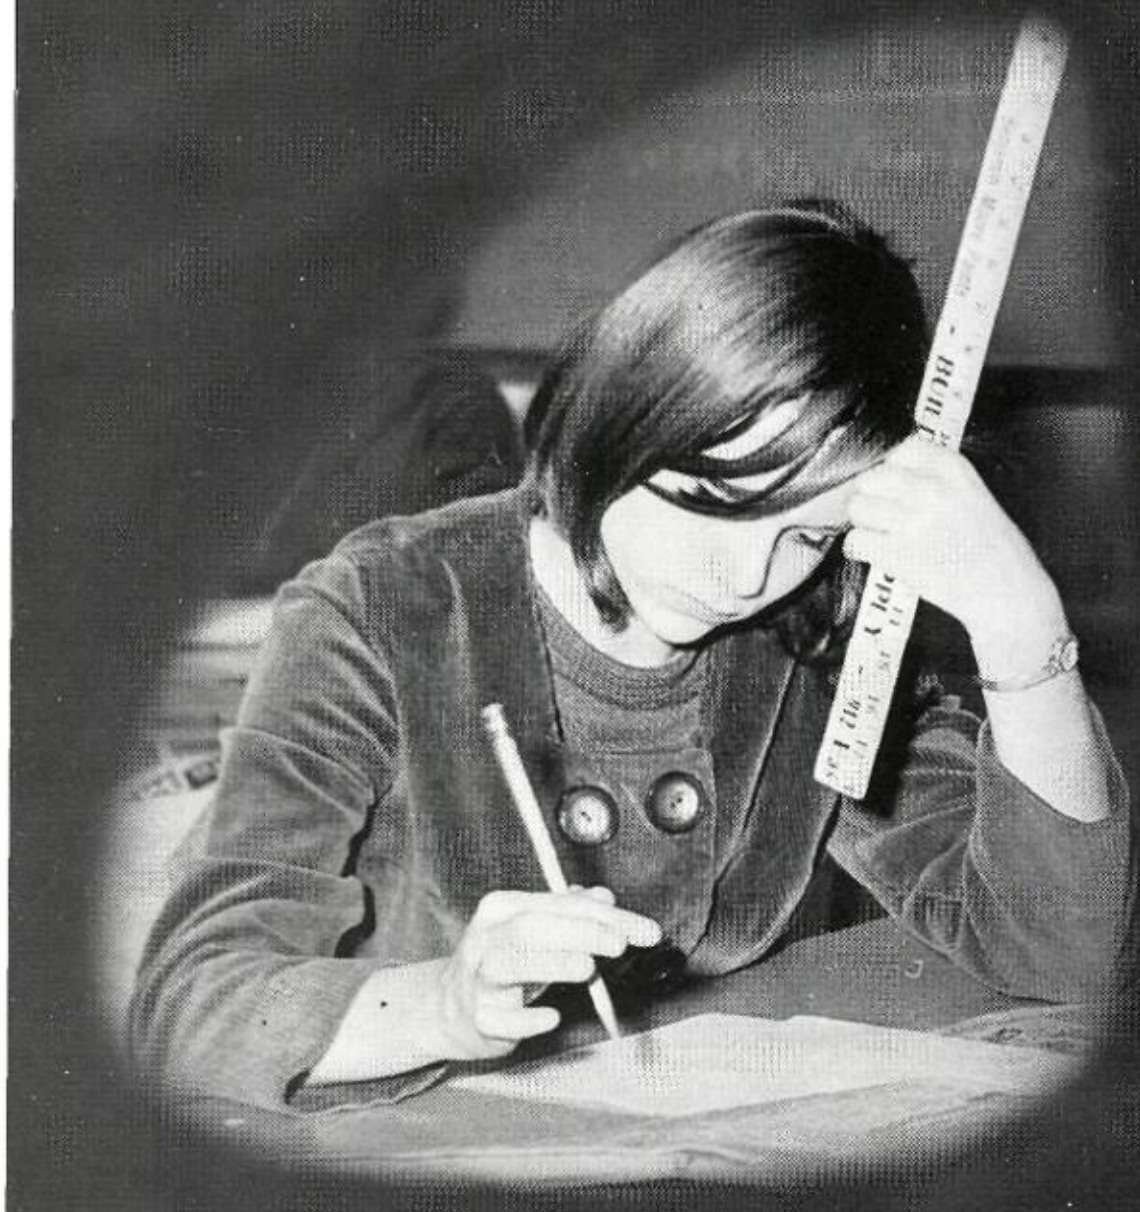
Memories are made of this . . .



A Time For Thanks . . .

The last snowflake, flower, sun, and leaf have been placed on their pages and a year is brought to a close. This year and its seasons have meant many things to many people . . . to me it has meant a yearbook.

A yearbook that is not only filled with pictures, cutlines, and headlines, but also the personalities of the people who have worked so hard on it. All of these people are great workers who have put their hearts into the production of this book.

Both my gratitude and thanks go to . . .

KAY SLATE, associate editor, who not only deserves credit for a fine job on the faculty section, but also for helping me whenever I got in a jam.

LINDA TUNE whose activity section brings to life all the wonderful events of this school year.

SHERRI ALEXANDER for the many hours she spent identifying people in the various clubs and organizations.

JENNY BEAN whose antics brought many a smile in the journalism lab . . . also for a well-done senior section.

JULIA VAUGHN, art editor, who worked on the junior section and helped with the sports section.

SALLY WADE, our artist whose creativity on the division pages adds the finishing touch to this yearbook.

DAVID VASQUEZ, assistant sports editor for doing such a wonderful job completing the sports section.

JACKIE BOWEN, MIKE ALEXANDER, and SHERRI ALEXANDER the photographers, who tirelessly took the many pictures needed in the production of a yearbook.

JEANIE JOHNSON, KARLA WADSWORTH, LINDA LU LILE, ANN GARRETT, LAURA PARKS, and MICKIE BROUGHTON, the junior staff assistants, for doing each of their assigned jobs so well.

HOWARD'S STUDIO and STAFF for taking our pictures whenever we called them; and for so diligently producing our deadline pictures.

And most important of all MRS. ERMA STEWARD, not only the yearbook sponsor, but also a very dear friend of mine and the whole staff. Without her help and guidance, this yearbook could never have been completed.

I hesitantly sign "30"

Editor-in-Chief

Well, ole partner, it's already been a year since the last time I wrote in your annual. Gosh, it just doesn't seem like a year.

Kenny, it seems that you and I are one of those kind of friends who just don't let things come between us. That's the only kind of friends to have. Remember all the times in Spanish during the eighth and ninth grade, when you would hold up your finger and let me know which answer to put down. That's what I call true companionship.

You and I have been through alot together. Like last year in football. There we were, supposed to be big studs. And the only time we could even play was when God or Silene got hurt. Well anyway the rest of luck in the future.

Lonny

Kenny,

You are a real cute boy with a darling personality. It's been fun knowing you and I hope that we can stay friends for a long time. Never change and you will go far in life. Best of luck in the future.

always will. I think your a
wonderful boy with ambition.
And that's something you need
all the time. Best of luck always!

Love ya!
Barbara

Kenny!
I don't know what to say to get across just what I mean. I do know that it was a rotten shame that we had no classes together this year. (Guess I should've stayed in 1st period P.E.) With any luck at all, maybe just the exact opposite will happen next year! (excluding 1st and 6th P.E.'s again) I ought to kick you for not being a representative! However, for Junior Class player you could be too awfully wise. that might not be a football player you could whip me and be a trackster you could catch me when I ran! Seriously, you know that I think you're the most, and you'll always be at the top in everything you do because of your attitude, desire, determination, character, smile, friendliness, (not counting your handsomeness, PRIDE) you will be whatever you want to and I wish you all the happiness you most certainly deserve. See you this summer!

Jamie

Kenny!
You a great guy who I have enjoyed being in class with this year. English and God, and I don't know if I'll see you this summer.

I don't know exactly what to say. I know your a great boy and I respect you for many things. We've really had alot of great times together. Right? I know now that I was wrong about alot of things and you were right. I know now that you weren't really as corrupt as I thought. I think the world of you, Denny and always will as long as you keep up the good work. I guess you might say, I think you're great. I hope we can always remain good friends, if not better. Stay as sweet and nice. I want to wish the best of luck to you because you really deserve it. Let's hope the future is better. Maybe next year we can have some classes together. Keep Smiling!

Love always,

To one of my best sophomore buddies. Tell you what, Kenny, your a great guy. Just remember a few things. Be a leader and make the guys look up to you, Stick with it and butt him hard in everything you do. When you do something do it well and be an individualist. Nobody will laugh at anybody that says he won't do something bad and then doesn't it. Make people look up to you! Hope to see you next year butlin' em right in the mouth.

Good luck.

Big Ken, or is it
Fuzzy, what a year! I
have had one great time this year and
I know you have too. We've been through
a lot together these past few years. Remember all
those times in Midland last year. That was fun.
Even though sometimes it got pretty bad. I think
we have a lot going in our class and it's up to us
to bring all of the goodness out. whala joke!!
it through this year even though at times it looked as
if we were trying to set a record for goofing off. Next
year the "Big Spring Steers" are going to show a whole lot
of people what football is all about. '69"
